

Cheeseburger Soup

Ingredients

- 1 lbs. of ground beef
- 1 small to medium onion, chopped
- 1 tbsp. parley flakes
- ½ tbsp. basil
- 2 cups of beef broth
- 1 or more large potatoes, cubed
- 1 cup milk
- 8 oz. Velveeta Cheese, cut up
- 1/3 cup sour cream
- Salt and pepper to taste

Brown ground beef. When it is just about done, put in the onions, parsley and basil. Drain off excess grease. Add potatoes and broth. Simmer for 10 to 12 minutes until potatoes are tender.

Add milk and cheese. Reduce heat so cheese can melt. Stir in salt and pepper. Stir every few minutes. When cheese is melted, add sour cream and then remove from heat.

I tried this new recipe on my in-laws. We loved it, they loved it and so will you! It is easy and even picky kids will like it.
